Program Descriptions

Aquarium Talk - Horseshoe crabs, hermit crabs, fish and more! Get a peek at who is swimming around out there with you by joining a ranger who will let you in on the secret lives of these diverse creatures.

Birding With a Ranger - See what birds the ranger is viewing off the Toms Cove Visitor Center deck. Come and go as you please anytime during the one-hour window. Some binoculars and field guides will be available.

Creature Feature - Gather 'round the ranger and today's mystery "guest". Learn the life and lore of a special Assateague resident during this informal discussion.

History's Mysteries - What's that building on the horizon? Why is the lighthouse so far inland? Come learn about the cultural history, Park's legends, lore, local tales and more!

Plant Rant - "Lettuce" dig up the dirt on plants to unearth their roots and blossoming potential!

Story by the Sea - You're never too old for a story by the sea. Come learn about an animal that calls Assateague home. An activity or craft related to the story will follow.
