Meeting #6 September 20, 2013

- Developed strategies for publicizing the RFEI and a framework for evaluating submitted proposals
- RFEI Released – October 22, 2013

REQUEST FOR EXPRESSION OF INTEREST

- Released October 22, 2013, and will close December 16, 2013
- Site Visits Scheduled for November 6 and 14, 2013
- Document designed to solicit a broad range of ideas.
- Responses will help:
 - Gauge investors' interest in Fort Hancock
 - Aid in developing sideboards for a potential RFP in the future

REQUEST FOR EXPRESSION OF INTEREST

A MATCHLESS OPPORTUNITY

Responses to this request may identify use of a single structure or contemplate the reuse of all 35 buildings available at the Fort. This is an unsurpassed opportunity to invest in park resources that will yield substantial cultural, social and economic gain now and for future generations.

- Seeks redevelopment ideas for 35 selected buildings at Fort Hancock,
- NPS will entertain ideas submitted on any building(s) within Fort Hancock.

REQUEST FOR EXPRESSION OF INTEREST

- NPS and Committee will market the RFEI jointly
- Questions and responses will be posted on FACA website:
www.forthancock21stcentury.org
- RFEI responses will be evaluated.
- NPS will provide feedback to submitters.
- Submitters may revise proposals for submission to potential RFP.

RFEI Evaluation Criteria

- The compatibility of the applicant's proposal with the site's National Register and Landmark designations.
- Will not result in unacceptable adverse environmental impact.
- The financial capability of the applicant to carry out the terms of the proposal including: 1) financial resources; 2) investment/development track record; 3) demonstrated experience and ability in raising money from investors; and 4) experience in public private partnerships.
- The demonstrated experience of the applicant.
- The ability and commitment of the applicant to conduct its activities in the park in an environmentally enhancing manner through, among other programs and actions, energy conservation, waste reduction, and recycling.
- The benefit to the NPS of the financial and other terms.
- The compatibility of the proposal with the historic qualities of the building(s) to be utilized.
