

2025 Camper Drop-off and Pick-up Locations

July 16 - Sept 1

Glacier Bay National Park & Preserve
National Park Service

- * If the day tour vessel has operational delays, stay at your pick-up location as a vessel will eventually come that day.
- * In all areas of the bay with steep hillsides, be aware of rockfall potential, especially during heavy rains.
- * The day tour boat will get as close to shore as possible, but the slope of the beach at different tides may mean you will get wet. Plan accordingly with gear like sandals or dry suit.
