

III. Artifact Analysis: See-Claim-Why Method

<p>SEE </p>	<p>CLAIM </p>	<p>WHY </p>
<p>What do you <u>see</u>? Period. ANYTHING that sticks out to you!</p>	<p>Make a <u>claim</u>. Based on what you see, what do you think this artifact is? What might it have been used for?</p>	<p>Explain <u>why</u>. What evidence leads you to believe that your claim is accurate?</p>
<p>FRFR </p>	<p><i>Forreall forreall</i>, what is/was this artifact? How close were you? Now knowing the answer, is there something you see in the artifact that you missed before?</p>
