

# Amazing Arrowhead

The National Park Service Arrowhead shows everything rangers are protecting, preserving, and educating visitors about in our National Parks. Can you connect each part to what it represents?

Bison

Plants

Tree

Scenery

Mountain

Animals

Lake

History

Arrowhead

Water

You might have all these things where you live! If your home was a national park what would you protect?

Draw an arrowhead that represents what you love most about your home and the natural spaces around you!
