Internment Information from a Family Member

James Burdiss, 3rd Ky Cavalry, 1820-1862, is buried in plot 8944 at the Stone [sic] River National Cemetery, 3501 Old Nashville Highway, Murfreesboro, [sic] Tn.

His name is spelled Burdess on the stone; I tried to get that changed, but the stones are national treasures and no changes will be made. They have agreed to change the written records when I send them a copy of his death certificate from the Union Army.
