

CAPE LOOKOUT NATIONAL SEASHORE SITE VISIT

131 Charles Street

Harkers Island, Carteret, North Carolina 28531

FEBRUARY 13, 2025 @9:00 a.m. - 2:00 p.m.

All Offerors must be prompt and meet at the Visitors Center Promptly at 9:00 a.m.

A power point slide show will start 9:00 a.m. After the slide show, depending on the weather, we plan to provide an opportunity for offerors to see the South Core Banks and the location of the land transportation operation. We will take the ferry out to the sites and be back by noon. We will not disembark at the Shackelford drop sites only at the Cape. We are trying to find a way to take them on a beach shuttle tour. We do not have any vehicles out there due to winter schedules.

Although Beaufort is not a Required Service, but an Authorized Service, we will drive there to see the operation in town. It is about a 15 minute drive from Harkers Island. Please keep in mind, parking is very limited.

When registering to attend, you must provide your name, the name of the entity interested in bidding that you represent, the primary contact information for the entity, and the number of people in your party (limit of 5). All attendees must be over the age of eighteen. NPS will provide further information and additional directions by return email message to the primary contact. Site visit participants are responsible for obtaining their own lodging, meals, and transportation to the respective facilities. The cost for boat ride is \$24.

We look forward to seeing you all at this site visit.
