

**DRAW  
WITH A  
PARK RANGER**

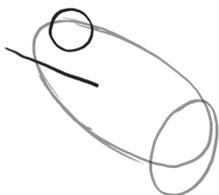

Let's draw this California red-legged frog!

**1**

Start out with simple shapes. Try to draw lightly for now. We're going to draw over this at the end!

**2**

Draw a circle for the frog's eye and a line for the frog's mouth.

**3**

Draw curved lines for the back of the frog's legs.

**4**

Draw the rest of the frog's legs.

**5**

Give your frog a nose, and draw a line through the eye and down the body.

**6**

Draw lines for the frog's other eye, its cheek, and its chin.

**7**

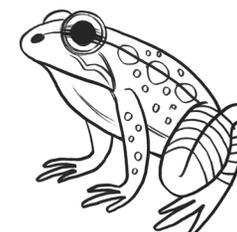

Add another circle inside the frog's eye.

**8**

Give your frog some toes!

**9**

Draw over your light lines. Give your frog some spots and stripes. Color it in if you'd like!
